Special Project Report

An overview- Toilet pit project

A special camp of National Service Scheme of Shri Shivaji Arts and Commerce, College Amravati was conducted in the adopted village Sukli, Rasulapur from 4/01/2020 to 11/01/2020. In addition to daily work, Shramdan was undertaken at this camp site. 100 volunteers of the NSS unit and some villagers undertook the toilet pit project. This project was undertaken under the 'Hagandari Mukt Gaon' scheme of the Government of India. In rural India most families still defecate in the open. Apart from the social issues, open defecation allows many viruses to enter the body through the air. The NSS unit in collaboration with the Gram Panchayat constructed toilet pits in a total of 25 families and thus contributed significantly in the
