PREFACE

‘An idea is a greater monument than a cathedral. And the advance of man’s knowledge is a greater miracle than all the sticks turned to snakes or the parting of the waters’

..... Jerome Lawrence,
Inherit the Wind

Amravati city was blessed by the holy visit of Lord Krishna in the ‘Dwapar Yuga’ when he came here to marry Rukhmini, and a temple in the old part of the city still stands as a relic and a testimony of that historical visit. Kaundanyapur, a place just twenty kilometres from Amravati was once upon a time the capital city of a very prosperous kingdom and the birthplace of some phenomenal women in history. Indumati – the grandmother of Lord Rama, Lopamudra – the scholarly wife of Rishi Agasti, Damayanti – exceptionally beautiful wife of Lord Nala and Rukhmini – the queen of Dwarka all hail from Kaundnyapur.

No wonder, a city with such historical tradition continues the rich legacy of this cultural heritage and has kept pace with the modern times by finding a proud place in the list of smart cities in the scheme launched by the Government of India. The city has rewritten history when Dr. Pratibhatai Patil rose to the highest position in post independent republic India of the President of India. Today the city boasts of having premier academic institutions as Medical College, more than 10 Engineering Colleges, Nursing College, Ayurvedic, Homeopathic, Arts, Commerce and many colleges with professional courses. The world famous ‘Hanuman Vyayam Shala’ is recognized for its contribution to games and sports world over.

Shri Shivaji Education Society founded in 1932 by Dr. Panjabrao alias Bhausaheb Deshmukh, the former Agriculture Minister in the cabinet of Pt. Jawaharlal Nehru, is one of the biggest educational societies in India today. The society runs 277 educational institutions in Maharashtra. Dr. Bhausaheb started the society at the time when India was deeply mired in poverty, ignorance and superstition. Realizing that education was the only weapon to transform the society, he, bearing all sorts of odds, founded schools and colleges with a missionary zeal. Being a member of the Constituent Assembly that drafted the Constitution of India, Dr. Bhausaheb was instrumental in single handedly revolutionising the social and academic conditions of rural India. The sapling planted by him has today become a big banyan tree and offers shelter to thousands hungry and thirsty for knowledge. Shri Shivaji Arts and Commerce College was started in 1946 in pre-independent India by the late Dr. Panjabrao Deshmukh. The college offers under graduate, post graduate and research degree courses like M.Phil. With more than 2000 students enrolled every year, it occupies a prominent place in the affiliated colleges of Sant Gadge Baba Amravati University. Not only in academic but in the area of games and sports also, the college is in the forefront of affiliated colleges of the University.

Accredited first in 2004 with ‘B’ grade with the score of 73 on the scale of 100, it was re-accredited in 2010 again with ‘B’ grade with the CGPA of 2.57. This year, we have geared up ourselves for the third cycle of re-accreditation with whole hearted devotion and sincerity.

PRINCIPAL'S MESSAGE

It is indeed the proud privilege of our institution to be able to submit the report for the third cycle of re-accreditation. This was made possible by the herculean efforts of the teaching and non-teaching staff, the benevolence of our magnanimous management, the co-operative alumni and the ever curious students.

Ever since its inception in 1946, our institution has been constantly trying to excel not only in academic matters but also in co-curricular, extension and other activities. Our students have been bringing laurels by participating in games and sports, cultural activities and societal outreach activities. As far as the academic performance is concerned, the students constantly hogged the limelight in all sorts of university examinations.

Situated in the prime location of Amravati city, the campus is spread over a land of more than 6 acres, a vintage building mellowed by sixty rainy seasons and summers. Without compromising with the majesty of the old building, the new structures have added a touch of modernity to it.

In the span of just 11 years since our first accreditation in 2004, we have been whole heartedly participating in the national drive of quality sustenance, inculcation of value system among the students and quest for excellence undertaken by National Council of Assessment and Accreditation. With the formation of Internal Quality Assurance Cell way back in 2004, the institution has been constantly in the forefront of educational reforms.

While we all await a happy and successful outcome, we also welcome the suggestions for the overall development of the institution and all our stakeholders

We are, therefore, very eagerly looking forward to the visit of NAAC Peer Team because the interaction with it will open up all those avenues of progress and developments which we perhaps did not know, exist.

EXECUTIVE SUMMARY & SWOC ANALYSIS

EXECUTIVE SUMMARY

Criterion – I : Curricular Aspects

Shri Shivaji Arts and Commerce College, Amravati gave due importance to the society and its educational needs. While drafting curricular aspect proper care was taken for the upliftment of the societal educational needs. Courses and syllabi were run in such a manner which ensured the overall sustainable development of society. A wide choice was given for selecting optional subjects to the students.

Hon'ble Principal, staff members are always keen to run employment and skill oriented syllabus for students benefit. While doing so due weightage is also given towards holistic approach, adoption and creation of moral values and ethical practices.

New courses were introduced at B.Com. and M.Com. level. English medium classes were started at both UG and PG level. Career oriented courses were also run to impart different skills to the students. Recently B.Voc. course was granted by UGC to the college with a whopping grant of Rs.1.70 crore.

Criterion – II : Teaching, Learning and Evaluation

Admission to the college is done through a transparent process and wide publicity details regarding the admission process are displayed on the college Notice Board (i.e. available courses, intake etc.). Admission process is uploaded on the college website and prospectus annually. The College follows University and State Government rules for admission process. The process is reviewed annually and improvements are implemented. It helps especially in balancing the enrolment of students in different subjects. Admission for reserved category students is followed as per university / state Government norms. It reflects the diversity and inclusion of SC, ST, OBC, SBC, VJNT, differently abled and economically weaker sections, minority community and sports students. Provision for UGC sponsored remedial coaching classes is available for backward and disadvantaged sections of society. All departments of the college take introductory classes to enable students to cope with the programme of their choice. The college sensitizes its staff and students on issues of gender and environment. The College has women grievance committee, grievance redressal cell for students and staff. Tutorial classes, unit tests, home assignments, seminars, group discussions and presentations are conducted for the improvement of teaching learning process. The College has teacher-guardian committee which assures healthy relationship among teachers and students and also improves performance of the students. The College has academic committee which frames plan for new session i.e. time table, academic diary, academic audit. The college examination committee evaluates learning through unit test, home-assignment, common test which gives feedback to students regarding their performance. The College has functional IQAC which works at achieving academic excellence. To make learning skills students centric interactive learning, group learning and participatory learning activities are encouraged. Debates, seminars, lectures are organised to develop critical thinking of students. Audio-visual aids are used for classroom teaching as required. Internet facility is available for the faculty as well as students. The college library has adequate number of texts, journals, reference books, facility of online library and common internet access.

The feedback of teachers by the students is taken. This feedback is analysed and evaluated by the feedback committee. The College management encourages faculty members to enhance quality in professional development i.e. refresher course, orientation course and other training programmes. The research promotion cell of the college encourages faculty for

academic and research growth i.e. minor and major projects, participation in seminars, conferences and symposia, publishing research articles in journals.

At present the college has a regular Principal and 32 faculty members, 02 are Professors, 11 are associate professors, 19 are assistant professors, 27 are Ph.D., 07 teachers are NET/ SET .

Criterion – III : Research, Consultancy and Extension

It has always been the endeavour of the institution to strive for development and keep pace with all the progressive trends and update the faculties of the institution in research and extension activities.

The college has formed a five members committee for Research Promotion. The committee monitors all the research activities with the help of IQAC and the Principal and motivates and encourages all the teachers of the senior college to do Ph.D., Major and Minor Research Projects, attend conferences, seminars, workshops and present research papers, as well as send research articles in the refereed journals.

There are 27 (81.81%) doctorates in the institution. Three teachers are doing major research projects and 18 teachers have completed minor research projects and 3 minor research projects are ongoing. The faculty have presented 204 research papers in national and international conferences and almost 150 research papers in national and international journals and 13(40.62 %) teachers are recognised as Ph.D supervisors.

In order to facilitate smooth progress and implementation of research schemes, the college allocates the grants received from the UGC funding agency and also allows the teacher to go on FIP.

The staff is always willing to participate in various conferences of interdisciplinary nature and they have also presented research papers. The teaching staff also participates with their research papers in the conferences and seminars at home and abroad.

The college has introduced a research journal entitled “Research Awakening” and the editorial board is formed. The faculty have also published books and have written chapters in books as well. Almost 31 books have been published by the faculty in the institution. Two teachers of the college have received Maharashtra Government awards. The college provides facilities like library well equipped with computers, net services and laboratories.

The college is always in the forefront of extension activities. The college was established by Late Dr. Panjabrao Deshmukh with a very noble aim to uplift the poorest of the poor by giving them education. The college is thus always ready to serve the humanity and the society at its best. The NSS and NCC are always active, whether it is flood relief, women empowerment or cleanliness drive. The institution has maintained this vision by adopting a girl student from Bhugaon and accommodated in the hostel.

Dr. Sabane, one of our faculty members has been elected as a Corporator and used the platform for social cause. Dr.Ambhore is similarly appointed on “Annabhau Sathe Biography Committee” by the state government. The college also ensures the involvement of the community in its outreach activities and contribute to community development through the NSS camps held every year. The villagers learn and participate in the activities like “Swaccha Bharat Abhiyan” and water preservation programmes. The institution has received SGB Amravati University award for the cleanliness drive.

The institution is active in the collaborations with other institutions. The college has signed an M.O.U with Dhanwate National College, Nagpur. The eminent personalities like Dr. Sadanand More, President, Akhil Bhartiya Marathi Sahitya Sammelan, Uttam Kamble, Editorial Director, Sakal Daily, etc. have visited and guided the students.

The college has linkages and placement facilities to promote the students to pursue further career after graduation and post graduation. The Placement Cell is active in facilitating placements of the students.

Criterion-IV: Infrastructure and Learning Resources

The College has adequate land of 6.2 Acres in the center of the city. The college has created and upgraded the infrastructure during the post accreditation period. The college strategically developed the infrastructure through designing the Master Plan for forthcoming expansions. The Building Committee of the college with the assistance of Building Section of Parent organization takes care of the maintenance of the Buildings. The College has infrastructure of 30 Class Rooms, Seminar Hall, Auditorium, Separate Library Building, Boys and Girls Hostel, Canteen, Girls Common Room, Gymnasium and Playground for Holly ball etc.

The College Library plays an important role in teaching, learning and research process of the college. The Library is computerized with SOUL 2.0 library software and digitized the collection on Dr. PanjabraoDeshmukh, First Union Agriculture Minister, India. The college Library has developed website of “Dr.PanjabraoDeshmukh Social Science Digital Library”. The Library provides access to e-resources through N-LIST consortia of INFLIBNET. The Library has rich collection of more than 55,000 Books with Spacious reading room facility; Free Internet Facility. The Online Public Access Catalogue (OPAC) is developed to search the library collection. The Library gives “Dr. S. R. Ranganathan Best Reader Award” to promote reading habits among the students. Library Committee has taken initiative to modernize the Library.

The college has developed Information and communication Technology infrastructure in the college. The central computer center of the college has 50 computers with high speed internet facility of optical fiber connection (OFC). The Language Lab for developing communication skill in English was setup with 11 computers and e-learning software i.e. Orell – ODLL Language Lab software. The GIS-Remote Sensing Lab was established with e-learning software like GIS software. The college acquired various software like Tally Accounting Software, office automation software, SOUL software for Library, Windows 2012 R2 server software, Windows 8, Office 2010 License software. The college has provided computing and Internet facility through LAN connectivity. The application of ICT in teaching & learning is promoted through use of LCD projector in Six Departments in which two are common for all departments.(Seminar Hall and central Computer Center).

Criterion – V : Student Support and Progression

Keeping the student in focus, the college concentrates on the overall development of the students and syllabus, co-curricular activities are framed accordingly.

The college Prospectus has all the necessary information along with the Mission, Goals and Objectives, Vision, academic calendar, fee structure. Scholarship facilities are given to the physically challenged students as per their needs.

English Language lab, internet facility, Digital library are available for the students. To promote writing skills among students the college publishes ‘*Shiv-Vani*’ annually. The students also submit their articles in the said magazine to show their creativity.

18 students have passed NET/SET examinations, **43** students secured position in the SGBAU merit list, **11** students passed competitive examinations.

It is feather in our cap that **18** Games and Sports activities are conducted in the college. In the last five years, the college has received **68** colour holders. Three students have represented India in Archery at the International Level. The college has **04** colour holders to its credit in cultural activities.

Students' Grievance Committee, Womens' Grievance Redressal Committee, Anti Ragging Committee are functioning in the college.

The results of the college in University examinations are very impressive, the graph is going higher and higher. There are **07** post graduate departments as well as M.Phil. in two subjects i.e. Commerce and Economics in the college.

In this academic session, the college has been granted B.Voc. Course with a financial assistance of Rs 1.70 crore by the UGC. This remarkable achievement has made the college proud.

The students participate in Youth Festival, Indradhanush (State Level Cultural Programme), Avishkar (Research Competition), etc.

Teachers' feed back is obtained from the students.

The college conducts medical and physical tests of the students regularly to make the students aware about the environment and its problems in the programmes organised by the college.

The college gives awards for best NSS volunteer, Best sportsman, Best NCC cadet, etc.

Criterion – VI : Governance, Leadership and Management

Shri Shivaji Arts and Commerce College was established in 1946 in pre-independent India by the late Dr. Panjabrao Deshmukh, the Minister of Agriculture in the first cabinet of Pt. Jawaharlal Nehru. It is one of the biggest educational institutions in India which runs 277 academic institutions.

The college has a very effective internal administrative mechanism with LMC at the top, IQAC, College Council, the Council of Heads of Departments, and various other committees.

HoDs and convenors of various committees are responsible for carrying out the policy decisions of LMC and IQAC. The Principal Dr. Smita Desmukh works as a link between the management and staff members.

The college has a well stated Mission, Vision and Goals and Objectives. The LMC meets once every year to formulate the academic, administrative and financial policies of the college. Alumni Association plays a very active role. The policy of decentralisation of work is scrupulously followed.

The IQAC is responsible for framing the quality policy of the institution. The IQAC is very functional and it prepares the long term and short term roadmaps and tasks are assigned to different stakeholders for all-round development of the college. It is precisely because of the efforts of IQAC, the college is gearing up for the third cycle of re-accreditation just in the span of 11 years since our first accreditation.

Besides that, the college takes many measures to improve the professional development of its teaching and non-teaching staff.

Criterion – VII : Innovation and Best Practices

Shri Shivaji Arts and Commerce College, Amravati always thrives for best innovation and practices. While doing so due care of Environment, Eco-friendly awareness and minimising use of resources was taken care of Green plantation, rain water harvesting, paper less work, application of natural resources were applied for efficient use of resources.

The college adopts various best practices like Dam construction, polythene free campus, Environment protection for the society.

For the development of society and students, different best practices such as lecture series, debate, health check up programme, regular yoga classes and book exhibition fair are organised for the overall sustainable development of the society.

- Feedback of the performance of the teacher is obtained from the students and is used to improve the quality of teaching.
- As a result of which, the result of the university examination have shown a marked improvement.

1.3.6 How does the institution monitor and evaluate the quality of its enrichment programmes?

- Through different programmes, guest lectures, career oriented courses, the institution ensure the enhancement and quality of teaching programmes.
- The college has since 2010 started English medium courses at B.Com. and M.Com. level and further enhanced its reputation as a premier academic institution. The proof of the enrichment and the quality efforts are in the fact that the admissions to the college are full to the capacity.
- Recently, UGC has sanctioned the college the B.Voc. courses with a whopping grant of Rs.1.70 crore.

1.4 Feedback system

1.4.1 What are the contributions of the institution in the design and development of the curriculum prepared by the University?

- As an affiliated institution the college does not have the authority to prepare its own syllabus, but 06 of our teachers are members of the board of studies of SGB Amravati university responsible for designing new courses and syllabus revision.
- The teachers of the English department also suggested some changes to the board of studies in English.

1.4.2 Is there a formal mechanism to obtain feedback from students and stakeholders on Curriculum? If yes, how is it communicated to the university and made use internally for curriculum enrichment and introducing changes/new programmes?

- Yes. The college appoints a feedback committee which obtains the feedback from the students. This is constantly used for evaluating the performance of the teachers. This feedback is also submitted to the LMC of the college.

1.4.3 How many new programmes/courses were introduced by the institution during the last four years? What was the rationale for introducing new courses/programmes?)

COP (interdisciplinary).

- 1) GIS and Remote Sensing
- 2) Skill based programme – B.Voc. (to be started from 2016-17)

These courses are designed keeping in view requirement in the society and the demand from the society.

Criterion – II : Teaching, Learning and Evaluation

2.1 Student Enrolment and Profile

2.1.1 How does the college ensure publicity and transparency in the admission process?

- The college ensures wide publicity and transparency in the admission process. The wide publicity is made through annually updated college prospectus which contains information regarding various available courses in the college with their intake capacity. It also gives other information related to admission process. The information is also uploaded on the institutional (college) website and also published in local as well as regional newspapers. Other than this, the admission process is publicised through displaying it on local cable network. Information is also prominently displayed on the Notice Board in the college premises. The college ensures transparency in the admission process following the university / State Government rules. The students are called to secure their admissions on stipulated dates. It is undertaken by admission committees for various courses / programmes. Programme-wise separate registers are maintained for keeping the record of admission process. And college thus ensures transparency in the admission process.

2.1.2 Explain in detail the criteria adopted and process of admission (Ex.(i) merit (ii) common admission test conducted by state agencies and national agencies (iii) combination of merit and entrance test or merit, entrance test and interview (iv) any other) to various programmes of the institution.

- After the declaration of results of the qualifying examination, course-wise application forms are invited. The students are selected for admission according to cut off criteria i.e. first cum first basis. The cut off of B.A. I 45% and B.Com.I 60%. In the admission process of the students from Reservation category, the college follows university / state government norms. (The above described selection process is followed for all the courses and reservation policy is followed as Open 48% OBC 19%, SC 13%, ST 7%, VJNT 11%, SBC 2%)

2.1.3 Give the minimum and maximum percentage of marks for admission at entry level for each of the programmes offered by the college and provide a comparison with other colleges of the affiliating university within the city / district.

The Minimum & Maximum marks in % at the entry level of 2015-2016

Name of the College	B.A.		B.Com.		M.Com. I		M.A. (Eco.) I	
	Min.	Max.	Min.	Max.	Min.	Max.	Min.	Max.
Shri Shivaji Arts & Commerce College, Amravati	45	94	66	95	65	85	55	85
K.L. College, Amt.	--	--	60	95	70	85	--	--
GVISH College, Amt	55	95	--	--	--	--	55	85

2.1.4 Is there a mechanism in the institution to review the admission process and student profiles annually ? If yes, what is the outcome of such an effort and how has it contributed to the improvement of the process?

- Yes, the college has mechanism to review the admission process and student profiles each year. The mechanism of review is monitored through the same constituted admission committee for each programme / course. It checks student's tendency to change / alter the combination of group of subjects to be offered and as this practice was observed generally after the completion of admission process that too after mid-term without any prior notice to the office or admission committee members. It affected the result and also decreased number of enrolled students in various courses. It is hence necessitated to adopt Review of the Admission Process and also the student's profile. Efforts are therefore being made by concerned Admission Committee to strictly control and avoid alterations in subjects by interaction with students as regards to their choice of the subject and confirming his subjects before closure of admission process. This has contributed in improvement of admission process as well as student profile and performance of the results of various subjects.

2.1.5 Reflecting on the strategies adopted to increase / improve access for following categories of students, enumerate on how the admission policy of the institution and its student profiles demonstrate / reflect the National commitment to diversity and inclusion of SC/ST, OBC, Women, Differently abled, Economically weaker sections, Minority community, Any other.

- Admission policy of the college and its student profiles reflects certainly the National commitment to diversity and inclusion of SC / ST, OBC, SBC, Women, VJNT, Differently abled, Economically weaker Sections, Minority Community and Sports students. To promote access to ensure equity, the college follows government and university rules as prescribed for all the above mentioned sections of the students and to provide equal opportunity to every student. Thus, equity is followed and reflected. Information regarding the quota, scholarships free-ships and concession for EBC is included in the prospectus. Preference is given to sports persons wherever possible. The percentage of girls students to boys has been increasing each year, at present it is more than 50%. This increase in the enrolment of the girls students is due to safety measures at its priority taken by the college administration.
- Thus the admission policy and its students profiles reflects the National commitment to diversity and inclusion of students of every section of the society.

After having gone through details of admission of various programmes offered by the college during the last four years, it is observed that trend for admission at entry level has tremendous growth with more than 100% admissions as per intake at UG and PG level. Especially it is to be mentioned that B.Com. (English Medium) has tremendous growth and attraction for future job opportunities / placements. Same is observed in Mass Communication as well as PG in Geography, Political Science, English, Home Economics, Economics.

2.2 Catering to Diverse Needs of Students

2.2.1 How does the institution cater to the needs of differently-abled students and ensure adherence to government policies in this regard?

- Institution does its best to take care of differently-abled students by providing barrier free environment and ensures adherence to government policies in this regard.
- Ramp is provided in the college.
- Literature in braille available in college library
- Teaching and non-teaching staff are ever-ready to help and assist such students.
- College provides needful facility to these students by providing comfortable seating arrangement during examination as well avails him the writer if he requires.
- These students also have reservation in the admissions.
- Every teacher pays attention towards these students through teacher guardian committee.

2.2.2 Does the institution assess the students' needs in terms of knowledge and skills before the commencement of the programme? If yes, give details on the process.

- Yes, there is a provision in this college for assessing students' knowledge and skills before the commencement of the programme. The teachers review the syllabus studied by the student in the last qualifying examination and engage a few lectures to cover the basics of every topic before starting teaching of the current syllabus of that particular programme. So that students are enabled to cope up with the programme to which they are enrolled. The teachers also encourage students to come forward with their difficulties and provide counselling throughout the year.

2.2.3 What are the strategies drawn and deployed by the institution to bridge the knowledge gap of the enrolled students to enable them to cope with the programme of their choice? (Bridge / Remedial / Add-on / Enrichment Courses, etc)

- The College has adopted and deployed strategies to bridge the knowledge gap of the enrolled students to enable them to cope up with the programme of their choice. This is done through remedial coaching and career oriented courses i.e. Add-on. Career counselling and coaching for competitive examinations like MPSC / UPSC, NET/SLET, etc. are also provided to students.

List of COC or Add on Courses

- 1) Communication Skills in English.
- 2) Diploma in Television and Video Programme.
- 3) GIS & Remote Sensing.
- 4) Certificate Course in Human Rights.

2.2.4 How does the college sensitize its staff and students on issues such as gender, inclusion, environment, etc.?

- The college has sensitized its staff and students on issues such as gender / inclusion and environment, etc. For gender sensitization, the college has constituted Women Grievance Committee / Grievance Redressal Cell for students and Grievance Redressal cell for staff. These committees look into the grievances received (if any) from the students, teachers, non-teaching staff and girl students. Through this, holistic and healthy environment is always maintained in the college.

2.2.5 How does the institution identify and respond to special educational / learning needs of advanced learners?

- Slow and advanced learners are identified on basis of their performances in frequent oral question - answer sessions conducted by the subject teacher in the classroom. Also they are identified through their performance in Unit Test, Home Assignment, Seminars, Group Discussions and Presentations. Advanced learners are further encouraged to acquire latest knowledge in their discipline. The teachers give tips for developing reading, learning, innovative writing, paper presentation, ICT enabled learning, reading and are asked to refer books, career counselling and guidance for

competitive examination is also provided to such students. Advanced learners are also advised to help and support slow learners in improving their ability.

2.2.6 How does the institute collect, analyze and use the data and information on the academic performance (through the programme duration) of the students at risk of drop out (students from the disadvantaged sections of society, physically challenged, slow learners, economically weaker sections, etc)?

- The college has Teacher-Guardian committee which also plays the role of maintaining tutor-ward relationship. This helps in paying attention to students from disadvantaged sections, physically challenged, slow learners, economically weaker sections, etc. This committee provides feedback forms to the guardians, to collect the data and analyses the academic performance of these students. This mechanism assures the healthy and harmonious relationship among students and teachers and helps a lot in encouraging these students to improve their academic performance who are at the risk of dropout.

2.3 Teaching – Learning Process

2.3.1 How does the college plan and organise the teaching, learning and evaluation schedules (Academic calendar, teaching plan, evaluation blue print, etc).

- As soon as the college reopens, the college plans and organises the teaching – learning and evaluation schedules.
- The IQAC frames annual plan for the new session in the beginning. The annual calendar is prepared as a part of college annual plan. Teaching plan i.e. Time Table is formed according to the workload of each subject distributed to each individual teacher of respective departments. The teaching plan includes monthly and term-wise teaching schedules. Units and topics per unit of the paper allotted to a teacher are distributed into available teaching days in an academic year. Every teacher follows the Time-Table and maintains the record of lectures taken in the academic diary which is provided to them by the college. The head of the various departments keenly monitors teaching and suggest mid-term corrections wherever necessary, so that syllabus allotted to a teacher is completed within time to ensure that students get sufficient time for preparation. The monitoring is done by the academic planning and academic audit committee. At the individual level the teacher thus maintains the academic diary to record information regarding personal details, teaching plan, time table, work load, co-curricular and extra co-curricular activities, research work, books read, university and college administration works, exam results and leave records in addition to daily lectures.
- Learning is evaluated continuously through unit tests, home assignments, group discussions, seminars, etc. The examination schedule of the college is prepared and notified to the students by displaying it on the notice board. The schedule is strictly followed throughout the year.
- The college examination committee monitors conduct of examination and valuation and its record is maintained. Students get appropriate feedback from the teachers regarding their performance.

2.3.2 How does IQAC contribute to improve the teaching-learning process?

- Under Internal Quality Assurance system of the college IQAC is constituted in the college and is very functional. It aims at continuous improvement of quality and achieving academic excellence. The IQAC monitors overall academic performance of the college. The IQAC annually prepares AQAR and submits it to NAAC office. The IQAC adopts participatory approach in quality management, strategies in all academic and administrative aspects.

2.3.3 How is learning made more student-centric? Give details on the support structures and systems available for teachers to develop skills like interactive learning, collaborative learning and independent learning among the students?

- Student centric learning is the first and foremost objective of the college. Teachers establish cordial relation by reaching out to students founded on mutual trust and goodwill.
- Through personal interactions with teachers, students are facilitated to voice their difficulties in learning and grievances. It is also supported through feedback mechanism. Students are always encouraged to open up and to let the faculty and head of the college administration know-off what is to be improved. In general students are provided extra-coaching and supported by supplying appropriate learning material wherever possible. Teachers of this college are skilled and competent in using various teaching learning methods such as interactive methods like group discussion, question and answer method. In the college there is also project-based learning as per norms of the university. In the college ICT based learning method is used in Commerce, Mass Communication, Geography, English and Economics departments.
- For acquisition of skill and knowledge management skills, the college organises various programmes and guest lectures of eminent academicians on variety of topics including personality development.
- Through NSS, NCC, Sports and excursion tours, the college contributes in developing social responsibility, independent learning and personality development of the student. The students play important role in institutional activities as representatives of various committees of the college like Students' Council and Societies of various subjects. As independent learning there is a provision for monitoring of students in the college by arranging inter-collegiate *Bhav-geet* (singing) and debate competitions in the name of Dr. Panjabrao Deshmukh, founder of Shri Shivaji Education Society, Amravati and Dr. Jwalaprasad, first Principal of Shri Shivaji Arts and Commerce College, Amravati respectively.
- Thus learning is made more student-centric by laying stress on specific learning outcomes for all courses and making it more participatory and interactive. Almost all departments organize various types of academic and cultural events like paper reading, debates, skits, etc. that help students in chiseling their personality. The inter-college and inter-departmental academic and extra-curricular programmes are conducted to increase creativity and to develop competence in students.

2.3.4 How does the institution nurture critical thinking, creativity and scientific temper among the students to transform them into life-long learners and innovators?

- The college makes every effort to nurture critical thinking and creativity and scientific temper among the students through giving them opportunity to participate in debate, seminars and even the lectures of eminent personalities are organised based on current issues and problems which makes student possible to explore their ideas and also enjoy the fruitful lectures of expert people. The college makes an arrangement for excursion and educational tours annually for students. Various cultural programmes are organised around the year where students not only participate but are very actively involved in organizing and handling programmes such as welcome parties for freshers, annual gathering, participate in youth festival of the university where they get a chance to show their talent in every activity like drama, debate, dancing, etc. The college publishes annual college magazine entitled '*Shiv-vani*' where students are given opportunity to express their creativity through their writings. The college also aims to start wall magazine on the anniversaries of great personalities dead and alive. The students in the college are motivated by teachers to achieve life-long learning and innovations by writing research articles. The teachers are also sponsoring awards for good creative writing.

2.3.5 What are the technologies and facilities available and used by the faculty for effective teaching? Eg. Virtual laboratories, e-learning – resources from National Programme on Technology Enhanced Learning (NPTEL) and National Mission on Education through Information and Communication Technology (NME-ICT) open educational resources, mobile education, etc.

- Modern technological aids are used by the faculty for effective teaching. Efforts are being made to enhance the use of such aids to make the teaching effective and also to improve the learning experience such as :
 - ❖ Computers with internet facility availed in all departments.
 - ❖ Use of multi-media projectors i.e. LCD
 - ❖ Use of power point presentations.
 - ❖ Language laboratory (communicative English).
- The college aims to develop smart classrooms so that faculty can access smart classrooms for ICT-enabled teaching – learning method.

2.3.6 How are the students and faculty exposed to advanced level of knowledge and skills (blended learning, expert lectures, seminars, workshops etc.)?

- There are various means for the teachers and students to keep pace with recent developments in their respective subjects. To keep pace with new and advanced level of knowledge and skills, students and teachers make use of latest journals, reference books, e-books and e-journals facility from the college library. Even students are advised and motivated to avail the internet facility on their cell-phones so that they can immediately have access to recent development in subject or it can be a ready recknor for them.
- The students are encouraged to attend and participate in seminars and extension lectures organised regularly by almost every department to update their knowledge. This helps students to collect information on latest development in their subject of

interest. Seminars on current issues are arranged from time to time in college. Prominent scholars and people are invited to share their knowledge for the benefit of students.

- The students are assigned various tasks, such as writing articles on State, National and International events and collections for college and wall magazine. They are also advised to interact with resource persons during seminars, conferences, workshops. Such interactions are fruitful to the students and also to the faculty to enrich their level of knowledge and skills.
- The departments of Geography, Sociology, Mass Communication, Home Economics, Economics, Commerce, Marathi and History conduct field work and excursion.
- The department of Commerce, Mass Communication conduct project work included in their curriculum. Some of the departments like Economics, History, Sociology organize study excursion to acquaint the students with the changes taking place.
- The college has central library through which students are getting books for reference while learning. The teachers provide guidelines to the students about how to use the reference books for enhancing their knowledge. The college library has subscribed to various journals related to different subjects. In addition to this, books and magazines are purchased by the college on regular basis for knowledge up-gradation. Newspapers and internet are used regularly to keep track of the latest advancements in a particular subject.
- The teachers in the college collect information related to the curricular and recent development in the respective subject and provide the information to the students. In this way regular updating of the learning is maintained by the faculty and students.
- The faculty members update their knowledge by attending workshops, seminars, orientation and refresher courses, guest lectures of learned scholars, paper presentation and publications. Undertaking research projects, research supervision and organizing and attending conferences at National and International level.
- The faculty members are also invited as resource persons for seminars and workshops. These interactions strengthen the involvement of the teachers in curricular activities from which teachers and students are benefited.
- **List of Prominent Scholars and People invited are as:**
 - 1) Music:**
 - a) Prof. Surmani Kamal Bhonde
 - b) Vaishali Made
 - 2) Economics:**
 - a) Dr. Mukta Jahagirdar
 - b) Dr. Prabha Bhugaonkar
 - c) Prof. Mira Alasi
 - d) Dr. Shah
 - e) Dr. Shailendra Deolaknar
 - f) Dr. H. M. Desarda

2.3.7 Detail (process and the number of students benefited) on the academic personal and psycho-social support and guidance services (professional counselling / mentoring / academic advise) provided to students?

- The students are advised by the teacher to choose stream, subjects, group of combination of subjects. This is done by knowing their area of interest while interacting with them.
- They are provided remedial coaching to cope up with the difficulties which crops up in learning of the particular subject especially English.
- Students are also guided to take coaching from expert teachers in their related subject.
- This academic support is provided initially when students appear before the admission committee and it continues through out the year.

Personal and psycho-social support is provided to students by:

- Addressing and solving their problems by the senior teachers.
- The teachers make efforts to support them financially particularly students of the weaker section.
- Career and counselling cell helps students to cope better with demands and challenges of stiff competitive surroundings.
- The teachers also mentor students from their professional point of view.
- Guidance services are provided to students by UGC sponsored remedial, career and counselling cell (entry in services).

2.3.8 Provide details of innovative teaching approaches / methods adopted by the faculty during the last four years? What are the efforts made by the institution to encourage the faculty to adopt new and innovative approaches and the impact of such innovative practices on student learning?

- Project-based learning and experimental learning like field work, visits to industries, socio-economic survey, survey and organizing students' seminars based on the curriculum. (Geography, Commerce, Sociology, Home-Economics, Economics, Mass Communication)
- Interactive method, audio-visual mode of teaching and ICT based learning. This is a recent effort made by the college to encourage the faculty to adopt new and innovative approaches by the introduction of ICT based teaching, LCD projects, field work, socio-economic survey, health survey and the impact of such innovative practices on student learning whereby they being inspired and motivated to bring out their potential by participating interactively in such innovative approaches of learning. For example Language Lab, Geography, Sociology, Economics, Home-Economics, Commerce, Mass Communication.)

2.3.9 How are library resources used to augment the teaching-learning process?

- The College Library has subscribed to various journals and e-journals related to different subject which helps to augment effectively the teaching learning process.
- Procurement of books and magazines, journals (national, international, state) by the college regularly for updating of the knowledge.
- Newspapers and internet are used regularly to keep in touch with the latest advancement in various subjects.
- There is a separate periodical and reference section which helps to research supervisor, research scholars in their knowledge up-gradation.
- Students are supported by providing library resources for competitive exams with facility of access to online library and internet.
- Old question papers are made available to the students of various subjects.
- Copies of syllabi are also available.
- Latest acquisitions are made known by the library staff and librarian immediately to both teachers and students.
- Information regarding new books, new arrivals is given through college notice board or library notice board.
- Departmental libraries – (faculty members have contributed their books from their personal collection) faculty and students are benefited.
- Special provisions are made in annual budget for enrichment of library. Due to use of library resources effective enhancement of teaching – learning occurs.

2.3.10 Does the institution face any challenges in completing the curriculum within the planned time frame and calendar? If 'yes', elaborate on the challenges encountered and the institutional approaches to overcome these.

- Besides the regular staff, contributory teachers are also appointed particularly for self financed courses to complete the curriculum. Extra classes are also engaged besides the regular classes to complete the syllabus.
- To develop the skills and personality of students they are encouraged to participate in extracurricular and co-curricular activities which results in challenge for completing the syllabi. To overcome this problem, the teachers conduct extra classes.
- Even teachers go for training programmes, faculty development programmes which creates problem in completing syllabi that too is also overcome by engaging extra classes.
- Slow learners mostly coming from remote areas and weaker section of the society face problem in learning. It is also overcome through remedial coaching, counselling, advising and encouraging them. In this way conducive learning environment is

generated and it ensures accountability and it induces transparency in the teaching – learning process.

2.3.11 How does the institute monitor and evaluate the quality of teaching learning?

- The institute monitors and evaluates the quality of teaching – learning through IQAC which provide feedback format in questionnaire method to students. Feedback of teachers by the students is taken anonymously in mid-term. It includes performance in academics, extra-curricular and co-curricular activities and also in the field of social involvement. This feedback is analysed and evaluated by the feedback committee report of which is perused by the principal. In turn the outcome of the feedback is informed to each teacher for future improvement and encouragement if needed and in case of the good performance of the teacher is given due appreciation.
- The Principal independently holds meetings of the departmental heads and takes feedback on the teaching – learning progress of each department.
- Thus the method adopted by college as mentioned has been found to be very effective in monitoring and evaluating quality of teaching – learning.

2.4 Teacher Quality

2.4.1 Provide the following details and elaborate on the strategies adopted by the college in planning and management (recruitment and retention of its human resource (qualified and competent teachers) to meet the changing requirements of the curriculum)

- The regular faculty is employed strictly following the norms of eligibility as per UGC, university rules, government of Maharashtra. The same eligibility condition is followed for the recruitment of CHB. Appointment of teachers, full-time including principal of affiliated colleges is made in accordance with the provisions of Maharashtra University Acts. However, if any subject where faculty post is vacant due to retirement of any teacher or additional workload and the recruitment of new

teacher does not take place in time, then the college administration takes initiative and is authorised to appoint CHB teachers according to rules and norms of UGC, Government, University and due care is also taken to fulfil the backlog of the reservations.

2.4.2 How does the institution cope with the growing demand / scarcity of qualified senior faculty to teach new programmes / modern areas (emerging areas) of study being introduced (Biotechnology, IT, Bioinformatics etc)? Provide details on the efforts made by the institution in this direction and the outcome during the last three years.

- The college has the freedom to provide competent faculty to the students as per the demands of respective courses. The college has its own funds from self-financing courses and through which salary is paid to the unaided courses. The college has self-financing courses such as BJMC, MJMC, B.A.(Music), B.Com.(English Medium), M.Com.(English Medium), M.A. (English / Political Science / Geography / Home-Economics). Add-on-Courses are as (1) Certificate Course in Communication Skills in English (2) Diploma Course in TV and Video Production (3) GIS and Remote Sensing. Existing faculty in the department is competent to run these courses and no new appointments are needed.

2.4.3 Providing details on staff development programmes during the last four years elaborate on the strategies adopted by the institution in enhancing the teacher quality.

- The management of the college always inspires and motivates faculty members for enhancing the quality in professional development. Following number of members were nominated to staff development during last four years.

a) Nomination to staff development programmes

Academic Staff Development Programmes	Number of faculty nominated
Refresher courses	13
HRD programmes	--
Orientation programmes	12
Staff training conducted by other institutions	--
Summer / winter schools, workshops, etc.	--
Short Term Courses	09
Other Programmes and Training Courses	14

b) Faculty Training programmes organised by the institution to empower and enable the use of various tools and technology for improved teaching learning

- ❖ Teaching learning methods / approaches
- ❖ Handling new curriculum
- ❖ Content / knowledge management
- ❖ Selection, development and use of enrichment materials
- ❖ Assessment
- ❖ Cross cutting issues
- ❖ Audio Visual Aids / multimedia
- ❖ OER's

- ❖ Teaching learning material development, selection and use
- On the issues such as handling new curriculum, content / knowledge management, selection, development and use of enrichment materials, assessment, teaching learning material development, selection and use, HoD's provide informal orientation to their newly recruited staff regarding use of audio visuals aids / multimedia, etc. technical assistance is provided by the college to operate ICT tools.

2.4.4 What policies / systems are in place to recharge teachers? (eg : providing research grants, study leave, support for research and academic publications teaching experience in other national institutions and specialized programmes industrial engagement etc.)

- The college motivates research aptitude among teachers and students in all possible ways for which research promotion cell is established in the college. The research promotion cell encourages teachers for academic and research growth by helping them to apply for UGC minor and major research projects.
- The management encourages faculty in giving study leave to complete Ph.D. work as per UGC norms.
- Leave and research grant to present research oriented papers in national, international conferences.
- Leave to participate and present papers in international / national conferences seminars, training programmes.
- Necessary fund and infrastructure faculty is given for organizing seminars, conferences and lectures.
- Faculty members of the college are recognized research supervisors providing guidance to M.Phil and Ph.D. scholars.
- Some faculty members are also working as referee for Ph.D. theses evaluation. Thus college is committed to recharge teachers to promote research or otherwise ensure professional development of the faculty.

2.4.5 Give the number of faculty who received awards / recognition at the state, national and international level for excellence in teaching during the last four years. Enunciate how the institutional culture and environment contributed to such performance / achievement of the faculty.

- Many faculty members of this college have received and being awarded for their excellence in teaching during four years as follows :-
- **Awards / Recognitions received by faculty:**

Awards	
Dr. H. R. Lunge, Government of Maharashtra Shiv-Chhatrapati Puraskar	
Dr. H. R. Lunge, Vidarbha Krida Ratna Puraskar	
Dr. H. R. Lunge, Zilha Krida Gaurav Puraskar	
Dr. H. R. Lunge, Mahapor Krida Ratna Puraskar

| 2) Dr. P.D. Haramkar | - Best Paper Award 2014-15 in Marathi Arthashashtra Parishad |

2) Marathi:

- 1) Dr. B. T. Ambhore - Maharashtra Govt. Lokshahir Sahityaratna Annabhau Sathe Puraskar-2013.
- 2) Dr. B. T. Ambhore - Suryakantabai Pote Rajyastariya Utkrusht Wadmay Puraskar 2014.
- 3) Dr. B.T. Ambhore - Rajyastariya Keshar Wadmaya Puraskar (Samiksha Granth 2014)

2.4.6 Has the institution introduced evaluation of teachers by the students and external Peers? If yes, how is the evaluation used for improving the quality of the teaching – learning process?

- The college has introduced evaluation of the teachers by students through analysis of the feedback taken from the students by filling the questionnaires provided to the students. Also evaluation of teachers is done by the parent society. The analysis is made by the feedback committee and outcome is communicated to individual teacher which helps him to improve further the teaching quality. Thus this evaluation helps to improve the quality of teaching – learning process.

2.5 Evaluation Process and Reforms**2.5.1 How does the institution ensure that the stakeholders of the institution especially students and faculty are aware of the evaluation processes?**

- Information regarding the evaluation method and the schedules of examination are mentioned in the prospectus at the time of their admission and the same is mentioned in the academic calendar during opening of the session.
- The methods adopted for evaluation are displayed on the college notice board. Regular information of examination is also a feature of teaching, learning and evaluation of the college.
- The teachers of every subject announce their schedules in their respective class and also explain to them the pattern of questions for the unit test, home-assignment and terminal examinations and methods of evaluation.
- Model question papers are also set for college examination strictly according to university question paper pattern and evaluated in the same way, so that students have first hand experience of the examination. Thus students are aware of the evaluation process.

2.5.2 What are the major evaluation reforms of the university that the institution has adopted and what are the reforms initiated by the institution on its own?

- The college is affiliated to SGB Amravati university and the examination reforms are introduced by the university in 2010. The University started semester pattern. Syllabus changes made in 2011-12 are also applicable to the college. In some faculty semester pattern is applied i.e. PG in Commerce and PG in Mass Communication, but in some faculty like Arts annual pattern is followed.
- The college cannot make evaluation reforms on its own but can provide inputs to the university regarding evaluation reforms through their faculty working on various

bodies of the university like Board of Studies, Management Council, Academic Councils and Senate.

2.5.3 How does the institution ensure effective implementation of the evaluation reforms of the university and those initiated by the institution on its own?

- The institution ensures effective implementation of the evaluation reforms of the university by communicating the evaluation methods to the students and other members of the college by displaying it on the notice board, circulating letters, and self-appraisal reports.
- The evaluation reforms of the university are followed in the best of spirit. When the college conducts its own exam the evaluation is fair, the students are satisfied by showing them the evaluated performance. Every doubt about evaluation is made clear to the student. Whenever unit tests and common test are given their performance is communicated to students to encourage them and counsel them for better future performance.

2.5.4 Provide details on the formative and summative evaluation approaches adopted to measure student achievement. Cite a few examples which have positively impacted the system.

- University is the sole authority for implementation of reforms in examination and evaluation, but faculty members who are part of academic bodies of the university actively take initiative for reforms.
- Still college brings positive change in the evaluation methods, adopt both formative and summative methods of evaluation.
- Formative approach of evaluation is followed by evaluating performance of students' achievement through group discussions, seminars. Through this evaluation lot of information is achieved regarding performance of students particularly after completion of units. The teachers get some idea about the student and thus it becomes easier for him to take necessary steps in their studies.
- The summative evaluation is done during common test. Even if a student does not perform well then extra chance is given to him for evaluation. All faculty members follow the formative approach to understand the students' performance through (1) group discussion, (2) home assignment (3) seminar (paper-presentation) (4) verbal test and (5) Excursion Tours.
- In summative evaluation of unit test, if a student fails to perform well then he has a chance to appear for common test to improve his performance for annual exam. Thus, in this way the institution uses the formative and summative evaluation approach.

2.5.5 Enumerate on how the institution monitors and communicates the progress and performance of students through the duration of the course / programme? Provide an analysis of the students results / achievements (Programme/course-wise for last four years) and explain the differences if any and patterns of achievement across the programmes/courses offered.

- The institution monitors the progress of the students by conducting unit test, home assignment, common test, seminars and communicate their performance to them and their parents in students and parents meeting. Even parents are informed regarding their performance through teacher guardian scheme (tutor-ward).

- In the beginning to the academic year, the college assesses the previous year's performance of the students by analysing the university results subject-wise and class-wise.
- The answer books of the unit tests are evaluated by the respective subjects teacher and returned to the students. The record of their marks is kept by the teacher. They are advised to communicate their performance to their parents as mentioned above.

Analysis of students result in last five years

- When we glance at the results of the university examination of the college during the last five years as regards to B.A.I, B.A.II and B.A. III classes, it seems interesting that percentage, the results have been improved and there is an increase in percentage of results i.e. from 8.57% to 21.05 at an average percentage result i.e. 20.3 for the class B.A.I, from 29.63 to 38.24 at an average percentage result i.e. 33.25 for the class B.A.II and from 34.62% to 41.14 at an average percentage result i.e. 41.05 for the class B.A.III. Thus there has been increase in percentage result during last five years and average increase is 10 to 12% from entry level to final year.
- As per as MA in English is concerned as most of the students come from rural and Marathi speaking background, English is very difficult for them and is a very tough subject for learning and they have to secure 55% of marks, therefore the tendency of the students is to appear for selective papers out of four papers by availing the facility of ATKT. Therefore when we observe above table of MA in English the percentage of result appears below average.
- As per the table, results of MA Economics and Political Science are better. It is about 50% for MA Economics and at an average of 40% for MA Political Science i.e. above average. PG in Geography and Home Economics show tremendous performance in the percentage result. At an average percentage result i.e. about 84% for MA Geography and an average percentage above 70% for MA Home Economics. Both the PG courses in Geography and Home Economics are practical subjects and students show interest and also score more marks. Hence this performance of result of both the subjects is best one amongst all PG courses. It is to be specially noted that except MA in English all the PG are in Marathi Medium and therefore they show better results.
- When it is observed the University result of B.Com. I, II and III of the College (Marathi Medium), there is an increase from 27.35% to an average percentage result 50.54% for B.Com.I, from 14.54% to at an average percentage result 56.7% for B.Com. II and from 38% to at an average percentage result about 77.95 for B.Com. III. In case of B.Com English Medium it has been observed that there is an increase in the percentage result 33.33% to an average percentage result 54.51 at entry level and from 93.33% to an average percentage of 92.45% for B.Com III. As per as M.Com. both in English and Marathi Medium there is average percentage result 90% to 92.5%, which shows excellent performance of the students.
- In case of BJMC I, II, III as it is a professional course students are much sincere and punctual in their performance of results maintaining and average percentage result i.e. 93.%.
- PG course of MJMC has very excellent performance. There is increase in the percentage result from 71.88% to an average percentage result i.e. 90%.

36. SWOC analysis of the department and future plans.

Strength

- ❖ One of the biggest departments of English in the affiliated Colleges of S.G.B. Amravati University with 07 faculty members.
- ❖ More than 85% staff members with the degree of Ph.D.
- ❖ Impressive results at both UG and PG level
- ❖ Almost all the classes full to the capacity at UG level and satisfactory number of admissions at PG level
- ❖ English Language Laboratory set up to improve the language proficiency of students in the English Language
- ❖ Research output of staff members of very high quality
- ❖ Atleast two staff members of the department are Ph.D. supervisors & 07 Ph.D. degrees awarded under their guidance.
- ❖ Students in the merit list of S.G.B. Amravati University
 - Ms. Gauri Thakre ... Gold Medalist & 1st Merit in M.A.
 - Ms. Rekha Manekar ... 4th Merit in M.A.
- ❖ Three staff members are either the former members or chairman of Board of Studies of a University.
- ❖ Two members worked as members of highest authority of the university, i.e. Management Council. Prof. A.R.Deshmukh & Dr. A.D. Bobade
- ❖ Two candidates for their Ph.D. studies joined the College under the UGC scheme of Faculty Development Programme.
- ❖ The department conducted career oriented classes to remove students deficiency in language skill.

Weakness

- ❖ Very few opportunities for students to get employment following Maharashtra government's ban on recruitment in schools, colleges and other establishments due to financial constraints.
- ❖ The policy not to fail the students in the schools or to pass them with the help of internal marks has taken the toll and has resulted in poor academic standard of the students.

Challenges

- ❖ To make the students proficient in language so that they can successfully compete with the students in metropolitan cities.
- ❖ To make better use of ICT for their academic betterment.
- ❖ To provide the students financial incentives to provide them access to sophisticated means of academic excellence.

Opportunities

- ❖ Tie-up with the best institutions in language studies
- ❖ By organizing national and international conferences, exposing the students to the latest development in language studies.

Future Plans

- ❖ To start interdisciplinary vocational courses (skill based) to enhance the language skills of the students. (The College has already been sanctioned B.Voc. courses by UGC with the financial assistance of Rs.1.70 crore)
- ❖ To impart language training to the school teachers working in the schools of our parent society i.e. Shri Shivaji Education Society, Amravati.

3) Presiding Office in Zilla Parishad Election 2012

4) Presiding Officer in Loksabha and MLA - 2014

35. SWOC analysis of the department and Future plans

A) Strength :

- 1) The number of students in this subject (Sociology) are more than any other optional subject.
- 2) Result is remarkable
- 3) Highly qualified teaching staff in the department and one Ph.D. was awarded

Dt.03/08/2015 (SGBAU Amravati) under Supervisor.

- 4) One Ph.D. Supervisor in the department
- 5) State Level Seminar was organized by the department.

B) Weakness :

- 1) University not having practical course at B.A. level therefore the student do not get adequate knowledge of the subject.
- 2) There is a need to decrease drop-out rate

C) Opportunities :

- 1) Scope for one more optional paper at B.A. Final level.
- 2) The knowledge of sociology can be used for society reforms.

D) Challenges :

- 1) Up gradation of knowledge to be affected at the University and College level.

E) Future Plan :

- 1) Department will arranged visit to various social organization for subject students.
- 2) Department will try to contribute for the placement for B.A. Final subject student in various social project.

Presentation of Best Practices

1. Title of the Practice:

Organization of Lecture series every year on important and relevant topics.

2. Goals :

- a) To bring about awareness in the society about a burning social problem.
- b) By creating awareness through discussion, focus on a certain issue, suggest remedies to the issue.

3. The Practice:

As a part of the Birth Anniversary of the founder president of our education society Dr. Panjabrao Deshmukh, a lecture series of three lectures by eminent academicians, well-known writers and thinkers is organised every year. The event is open for all including the common citizens of Amravati.

4. Evidence of Success:

The lecture series generated lot of response from every section of the society. The hall is full to the capacity and lot of feedback also reaches various government organizations responsible for framing policies and implementation of these policies.

5. Problems Encountered and Resources Required:

Difficult to raise financial resources for the mega event.

6. Note :

The list of a few eminent people who delivered these lectures :

- 1) Dr. Sukhdeo Thorat – Former Chairman of UGC
- 2) Dr. Sadanand More – President of Akhil Bhartiya Marathi Sahitya Sammelan

- 12) Shri Sudhir Sawant, Defence Analyst and a close aide of Late Rajiv Gandhi

1. Title of the Practice:

Cash Incentives by the faculty members to the meritorious students.

2. Goal :

- a) To promote studiousness among students.
- b) To encourage meritorious students to excel in examinations.

3. The Context:

To enable the students to equip themselves with necessary skill and knowledge to face the ever increasing competition.

4. The Practice:

For the last so many years, the faculty members of the college have been contributing a certain amount to the college fund and to be utilized for offering cash incentives to the students who top in the particular subject in the university examinations.

5. Evidence of Success:

We have been witnessing a steady improvement in the results of the university examinations.

6. Problems encountered and Resources Required:

No problem has been witnessed so far. The only thing is that many students because they move elsewhere cannot personally attend the felicitation ceremony held for this purpose.

2.7.2 Inclusive Practices:	<ul style="list-style-type: none"> • Hostel facilities for both boys and girls, remedial courses as inclusive practice. • Reservation Policy implemented only in the grant in aid courses where it is mandatory. Not enough takers, and hence all seats not filled up. No such practice in self-funded courses. No special provision for inclusion in self-funded courses. • No Ramp, special toilets, lift for differently-abled persons. No Braille material, no Audio Cassettes for the visually challenged.
2.7.3 Stakeholder Relationships:	<ul style="list-style-type: none"> • Student feedback, Grievance Redressal Cell, mentoring help to know student satisfaction level. • Alumni association formed in 2009. College yet to receive assistance from it. • Yet to establish system to cater to wider public concerns.

For Re-Accreditation: Some attempt at taking care of core values advocated by NAAC.

Section III: OVERALL ANALYSIS

3.1 Institutional Strengths:	<ul style="list-style-type: none"> • A 64 years old tradition of providing higher education in this backward area. • Diversity in programmes. • Some decentralization at the level of execution through sharing responsibilities through committees. • A good mix of grant-in-aid and self-financed courses. • Good number of faculty with Ph.D and some engaged in research through Minor Research Projects.
3.2 Institutional Weaknesses:	<ul style="list-style-type: none"> • Alarming dropout rate – 56 and 58% in the last two batches. • Running all the self-financed courses with ad-hoc, temporary faculty, especially PG courses. • Library facility shared with PUC. • Satisfied with admitting reserved category students in grant-in-aid courses. No such admissions in self-funded course.

Shri Shivaji College, Amravati, MS

NAAC for Quality and Excellence in Higher Education

	<ul style="list-style-type: none"> • Mandatory IQAC established but yet to utilize it for quality improvement.
3.3 Institutional Opportunities:	<ul style="list-style-type: none"> • Opportunity to contribute to equitable and inclusive development in the context of globalization. • Centrally located in eco-friendly environment. • Opportunity for better utilization of young, qualified faculty, Principal and cooperative management. • Having better system of keeping in touch with alumni and getting their assistance. • Widening of research base of departments, keeping local needs in mind.
3.4 Institutional Challenges:	<ul style="list-style-type: none"> • Ensuring specific identity likely to be lost due to PUC, UG, PG on same campus. • Fierce competition emanating from neighbouring institutions. • Providing quality education with competitive edge • More research based teaching and outcome based extension and follow up work. • Undertaking interdisciplinary teaching with hands-on experience and project work beneficent to all concerned.

Section IV: Recommendations for Quality Enhancement of the Institution

- ✓ Augmenting infra-structure to provide adequate physical facilities to the departments and faculty.
- ✓ Undertaking study of causes of high dropout rate and taking urgent steps to remedy the malaise.
- Making concerted efforts to increase the social prestige of the institution. Rather low number of applications; cut-off marks at the lowest possible.
- Establishing more systematic feedback with formats to get feedback from stakeholders, other than just the students. Undertaking systematic analysis, follow up action, Action-taken Report.
- ✓ Establishing centres to train students for competitive exams.
- Undertaking area specific research in collaboration with concerned agencies.
- Making efforts to get additional posts filled with permanent faculty in regular pay-scale to strengthen the non-grant departments.
- ✓ Ensuring that many more faculty members present papers at national and international level conferences, publish research papers in refereed, academic journals.
- ✓ Establishing well equipped computer as well as language labs and ensuring the use of Computer Aided Teaching-Learning Programmes.
- Making efforts to establish an independent identity of the college through separating Junior College as well as making short-term and long-term perspective plans in order to realize the institutional vision and mission in the changing scenario.
- Making concerted efforts to attract more general category students as well.

I agree with the Observations of the Peer Team as mentioned in this report.
